

MYTP SKATEBOARDING

ABOUT THE GAME - SHORT DESCRIPTION

The game is an action sports simulation covering the skateboarding franchise and it features one huge world with several skate parks, half pipes, rails, ledges, bowls and much more.

Summarized, the aim of the game is to explore the „Open World“ and find the „Competition“ and „Own the Spot“ locations where you have to master given challenges in order to improve your overall skills.

APP STORE DESCRIPTION

Welcome to the streets of Randertown - no crazy bling bling, simply amazing and real skateboard action! Grab your board and explore the huge playground fully packed with rails, ledges, stairs, skateparks, half- and quarter pipes, big airs and sheer endless run possibilities!

Find the „Competition“ and „Own the Spot“ locations where you have to master the challenges in order to improve your overall skills or just skate through the streets and parks and show the world your best tricks utilizing the instant replay option which lets you share your action immediately.

Don't worry if your last day on the skate is well in the past though – easily learn the basics of the game using the in-game tutorial. So what are you waiting for? Gear up and let's go!!
